Rules for Club Sessions

1. Any change to scores related to the day's play must be requested by players immediately following the play of the that day. (Law79C Error in Score)
2. All players must be seated no later than 12.30pm for the afternoon session. If players have been unavoidably delayed, but will be there before the start of play, it is acceptable for them to contact the Director to inform him/her of the situation and they can then be included in the movement. (Law 80B (c) and (d))
3. Play must be finished no later than 4.10pm each afternoon. Play should commence no later than 12.45pm. All to exit the building by 4.30pm.
 - For 2 board rounds, start of the last round must have commenced no later than 3.55pm
 - For 3 board rounds play must have commenced no later than 3.50pm.
4. There is a time warning buzzer at 3 minutes before the end of a round. The lead card for that board should be faced before the 3 minute warning buzzer sounds otherwise the Director must be called. The Director will decide whether the board will be played. The Director must be aware of slow players, and the 3 minute warning Rule must be adhered to. If players are unable to meet this requirement there may be an adjustment of boards as a result. The objective is that at least 27 boards are played. This will, however, be dependent on the movement that is being played, and any other extraneous factors.

PLEASE NOTE: Director discretion may be applied at any time regarding matters pertaining to these policies.
