

BUSSELTON BRIDGE CLUB

Supervised Playing Sessions

- Supervised Playing sessions will be conducted for novice and intermediate level players commencing on Friday 31st May, 2024.
- The sessions will be conducted every Friday morning for 8 consecutive weeks at the Library area of NOVA Village at Broadwater.
- The arrival time is 9.30am when participants will help set the room ready for a prompt start at 9.45am. The session will finish at 11.45am.
- There will be two experienced players available to assist with bidding and card play. Additionally, for the first 5 or 10 minutes of each session there will be a short talk that will cover an assortment of topics including etiquette at the table, some Rules and Laws that are frequently breached, examples of how to bid some difficult hands, and general hints on how to survive the early days of playing bridge in a Club setting.
- It would be helpful if you can come with a partner but it is not mandatory.
- There will be a charge of \$5 pp for each session.
- Please bring your own water bottle.
- Initially, the program will run for 8 weeks at which time there will be a break and a review to determine whether the sessions will be continued.
