MyABF Credits – Easy Guide for Members

At Busselton Bridge Club you can now choose to pay your $7 table fee using **MyABF Bridge Credits** instead of cash. It's optional — cash is still welcome — but credits mean you don't need to bring money each time you play.

If you are interested in being one of those members who pays their Table Fee of $7.00 via MyABF Bridge Credits, give your name to your Treasurer (Linda Clayton), next time she comes to collect your table fee.

If you are new to MyABF, Linda will send you an Invitation (via email) to sign up/register for the system. Follow the instructions in the email and load a minimum of $50 into your MyABF account via your credit card. (This will last 7 sessions).

You may already have a MyABF account. If you have played in a Congress, you are now expected to pay via Bridge Credits so you would have already registered, so all you need to do is load a minimum of $50 into your account and let Linda know you would like to pay your Table Fee via Bridge Credits.

1. Create (or check) your MyABF account

1. Go to **myabf.com.au**
2. Click **Login**
3. If you already have an account, enter your email or ABF number and password
4. If not, either wait for an email Invitation or click **Register** and follow the prompts

You will need:

- Your email address
- A password you can remember

If you get stuck, ring Linda Clayton on 0411457465, and she assist.

When you have successfully Registered for MyABF follow the next step (Load Bridge Credits).

2. Load Bridge Credits

Log out of MYABF and Log in again (Some newly registered members have had a problem loading credit if they have only just registered).

Minimum amount: **$50** (covers ~7 sessions)

Steps:

1. Log in to **myabf.com.au**

2. Click **My Credits or Bridge Credits**
3. Click **Add Credits or Top Up Balance**
4. Choose the amount ($50 is the minimum amount you can load)
5. Pay using Visa/Mastercard

Your balance appears immediately.

You can also set **automatic top-up** (e.g., add $50 when balance drops below $20).

3. Paying Your Table Fee in future

1. Treasurer will ask: **"Cash or MyABF credit today?"**
2. If paying by credit, nothing else is required — the Treasurer processes it later.

If your balance is low, you can top up at home or on your phone.

4. You Can Switch Anytime

- Pay by credit one week
- Pay by cash the next
- Stay with cash permanently
- Or use credits every week

There is **no requirement** to use credits.
